EMPIRICAL VISUAL AESTHETICS LABS | UNIVERSITY OF VIENNA

## **Call for Students:**

### **20 Years EVA Labs Celebration**

## **International Summer School**

### **The Future of Empirical Aesthetics**

#### **When and where?**

September 22-23, 2024

University of Vienna, Faculty of Psychology, Liebiggasse 5, 1010 Vienna, Austria

#### **What is this about?**

This international summer school is for PhD and master students who have a strong interest in empirical aesthetics, the psychological science of understanding aesthetics, and the psychology of the arts.

During the upcoming EVA Labs Celebration Summer School, we are hosting lectures and seminars by international experts in empirical aesthetics providing insights into ongoing international research with an outlook into future research fields.

Our summer school is part of the symposium celebrating 20 years of EVA Labs (Sept. 20-22, 2024). Summer school participants will join the full program, with two specific half-day lecture series (after the scientific program).

The event will take place in the heart of beautiful Vienna – where there is much to see and explore – and also provides a unique opportunity for networking, socializing, and fostering social networking.
